

HAMILTON ROBINSON CAPITAL PARTNERS

MISSION STATEMENT

Our objectives are as follows:

- To provide an investment program for our financial partners which provides the highest possible returns commensurate with acceptable risk.
- To assist our portfolio companies in the achievement of their business objectives while maintaining product, service and professional standards of unsurpassed quality.
- To conduct all aspects of our business according to the highest ethical and professional standards, through an organization founded on principles of excellence and fostering a high degree of personal growth and professional satisfaction.
